

The Third Annual Tartan Peninsula Oyster Roast and Beer-Fest Another Successful Evening!

Saturday afternoon of October 21 saw a beautiful warm fall setting for the Third Annual Tartan Peninsula Oyster Roast and Beer Fest. In fact one guest described it as “October Spring”. The event was originated by The Green neighborhood and included guests from The Green, Waterview Point, The Highlands and St. Andrews Lane areas.

This year it was held in the Waterview Point community where Bill and Debbie Turenne opened the doors of their lovely home to our gathering. The view down Church Prong of Carters Creek was, of course, amazing. Nearly forty guests

dined on roasted and raw oysters, shrimp, fried chicken, several chowders and other favorites secret recipes. Thanks to all who helped make this possible, and thanks to all our neighbors and guests who provided an enjoyable and festive gathering. Looking forward to seeing you again next year.

Charles Fulford with his amazing “oyster opener”

The buffet was arranged on the patio overlooking Carters Creek.
